Consultants Profile

Dr. Jürgen Bey

IT Consultant Business Intelligence

Data Village GmbH & Co. KG
Ostwall 30, 47608 Geldern, Germany
+49 170 5713690

Status: May 2011

Profile

Dr. Bey is a former SAP-BI consultant with more than 12 years of experience. He worked for SAP as Solution Consultant and Project Manager in numerous projects and gained experience in the fields of BW, SRM, Application Integration, ABAP development, and master data management.

During his last years with SAP, Dr. Bey managed BW implementation and development projects.

Inside SAP, he was responsible for coordination of the SRM-BW group of consultants.

In 2003, Dr. Bey founded his own company: DATA VILLAGE GmbH & CO. KG. The key business areas of DATA VILLAGE GmbH & Co. KG are SAP consulting and standard software development. The most important software product of DATA VILLAGE is a BW based consolidation and harmonization tool for master data and transaction data from different source systems.
